THE FINE ART AND
FRAME COMPANY

A photograph of a modern living room. The wall is painted a deep teal color. Two framed artworks are displayed: one at the top showing a red barn in a snowy landscape, and one below it showing a red Volkswagen van in a field. A grey sofa is adorned with several colorful pillows and a mustard yellow blanket. In front of the sofa is a glass coffee table with a brass frame. A window with grey curtains and a hanging plant is visible in the background.
